

## **JOB DESCRIPTION HCIP COUNSELOR/ADVOCATE**

**FUNCTION:** Counselor/Advocates work as a team at John H. Stroger, Jr. Hospital of Cook County to provide comprehensive direct services to adult survivors served by Connections for Abused Women and their Children. They provide a range of crisis intervention and advocacy services to domestic violence victims through CAWC's Hospital Crisis Intervention Project (HCIP).

**FT/PT:** Full-time

**CLASSIFICATION:** Exempt

**REPORTS TO:** Outreach Services Coordinator

**SUPERVISES:** N/A

### **Responsibilities:**

1. Provide comprehensive domestic violence services to clients of CAWC's HCIP. Services may include the following: crisis intervention; psychoeducation; emotional support; needs assessments; development of service plans; counseling; information and referral; and legal and systems advocacy.
2. Share program shift coverage responsibilities as scheduled. This includes responding to referrals, answering calls, completing intakes for services, responding to client requests, providing direct service to HCIP clients, responding to emergencies, and working collaboratively with CAWC, HCIP and hospital staff.
3. Collaborate and network with other direct service providers and agencies to develop comprehensive service plans that meet the complex needs of HCIP clients. Provide ongoing support and advocacy to assure clients' needs are met and required referrals are being conveyed.
4. Ability to research community needs and resources to meet ongoing client needs. Responsible for providing clients with information and referrals to services in the community.
5. Coordinate with other CAWC staff to ensure continuity and quality of client service.
6. Complete client and program-related records to document eligibility and service provision for a variety of data needs and funder requirements; oversee assigned client records to ensure completeness; enter monthly client data into InfoNet database; and complete program reports as required. Meet minimum monthly requirements of service provision documentation.
7. Schedule and provide trainings for healthcare professionals as it relates to best practices in domestic violence screening and intervention in a health care setting and CAWC's services. Maintain relationships with hospital personnel to address ongoing needs.

## **JOB DESCRIPTION**

### **HCIP COUNSELOR/ADVOCATE**

8. Develops and maintains effective, professional, and collaborative relationships with hospital staff and others in the community. Represent CAWC at information tables, hospital meetings, or various community outreach and education events, as appropriate.
