

HPOP FAMILY TRAUMA THERAPIST

FUNCTION: Responsible for providing trauma-informed clinical services and therapeutic support to children and families impacted by domestic violence. The Family Trauma Therapist also offers parenting education, guidance, and emotional support to help survivors strengthen family relationships and promote healing and resilience.

FT/PT: Full-Time

CLASSIFICATION: Exempt

REPORTS TO: Program Director

Responsibilities

1. Provide assessments for identified child clients and develop individualized treatment plans for both the child and survivor parent.
2. Provide individual therapy to children.
3. Provide family therapy sessions for survivor parents and their children.
4. Provide parenting education and support to survivors individually and in group settings.
5. Coordinate with other CAWC staff to ensure continuity, coverage, and quality of client services.
6. Provide referrals for additional services as appropriate. Advocate on behalf of clients within other systems and collaborate as needed.
7. Complete client records to document eligibility and services provided.
8. Enter monthly client data into the InfoNet database and complete program reports as required.
9. Ensure the provision of services in accordance with all funding contract requirements.
10. Participate in volunteer and staff trainings, public education, and outreach activities as requested.
11. Perform other related duties as assigned.

Qualifications

Required:

1. LCSW or LCPC.
2. Master's degree in a human service-related field and a minimum of one year of experience

HPOP FAMILY TRAUMA THERAPIST

working with children and families, preferably in a domestic violence program.
